

## Jazz Solutions Inc.

Increasing awareness, improving perception,  
and engaging stakeholders

**Jazz Solutions, Inc. (JSL) understands that effective communication with your target audiences is critical to mission success.**

We are experts in increasing awareness, improving perception, and engaging potential stakeholders to build broad-based coalitions of support that advance your goals and objectives.

### STRATEGIC COMMUNICATIONS AND STAKEHOLDER ENGAGEMENT

JSL builds and manages relationships with media, government bodies, and internal teams, ensuring communication aligns with strategic goals. We proactively engage stakeholders to address risks and understand expectations.

### SOCIAL MEDIA AND DIGITAL OUTREACH

JSL develops social media strategies to boost visibility and engage audiences. Our digital outreach amplifies key messages and fosters meaningful interactions across platforms.

### EVENTS

JSL designs and organizes events that effectively convey your message and engage audiences. JSL also represents federal agencies at community events, trade shows, and other public forums.

### BRANDING AND MATERIALS

JSL creates visual identities that resonate with targeted demographics. Our services also include editorial support such as writing and editing to ensure your communications are polished and effective.

## RECENT PROJECTS

**JSL led MSHA's Miner Vaccination Outreach Program (MVOP)**, organizing vaccination clinics, expanding offerings to include test kits and flu shots, and increasing educational outreach through virtual and in-person formats. Post-COVID, **JSL and MSHA transitioned MVOP into a broader Miner Health Matters** campaign, addressing topics like heat illness and mental health. JSL's strategic communications and program management contributed to 57 events across 13 states, significantly exceeding the program's initial objectives.

**During a key administration changeover, JSL supported the MSHA leadership team** with communicating substantive policy changes to enforcement personnel and the regulated community. JSL also evaluated and made recommendations to key documents including improvements to usability, readability, and conversion to mobile design.
